■ Important provisions :

(Operating Procedures) "Students begin their adding and dropping courses over the internets-> "Phase 1 of Adding and Dropping courses end-> System Makes Selection at Backstage-> Results of Phase 1 Announced on Internet-> "Phase 2 of Adding and Dropping Courses Begin" -> System Makes Selection at Backstage-> Results of Phase 2 Announced on Internet-> Primary Course Selection Records are Announced on Internet for Inquiry and Print out-> "Adding and Dropping Courses(Adding and Dropping Courses on the Internet)" Begins.

※ To maintain the correctness of the records in the course selection system,be sure to click on "Log out" in wake of operation.
※ Contact the Academic Administration Division by calling telephone numbers: 05-631-5111~4 if any incorrect record results from operation made not in accordance with the instructions or wrong messages are sent by the system. Otherwise, students are responsible for inconsistent course selection records.
※ Log in the system with your student Id for account number and national identity card number for password.
※ Network congestion is seen on TANet. It is recommended that you should operate the system using the intranet network and remove the Proxy settings.

(1)In addition to the provisions specified above the system may directly transfer files of compulsory subjects to the Curriculum System. All students may not drop courses or take courses of other classes at will. If any special circumstance occurs, students may handle the affair during the period assigned to add and drop courses.
(2)Be sure to seek approval from responsible directors if students would like to select courses offered by other departments or graduate institutes.
(3)There is a quota of 57 enrollees per general education course. Excess population that have selected the same courses will be screened and automatically submitted by the computer in the following order: [Current class > Students of our department that has delayed graduation> Students of other departments that have delayed graduation>senior students of our department and school system> junior students of our department and school system> senior students of our department>junior students of our department> other departments].
(4)To facilitate the confirmation process, the Academic Administration Division will distribute courses list to students. That list is also available over Internet.
(5)Note the following instructions when select "Type of Courses"
(A) If reselecting (Compulsory subjects), please select (reselect) and not (compulsory subjects).
(B) Be sure to select "Elective" if repeat any elective course.
(C) Be sure to select "Elective" if select any required course not offered by original departments or graduate institutes for elective credits.
(D) Select "Liberal Arts Study" if select liberal arts courses.
